

Sales Potential Analysis

Evaluating the Sales Power of Your Employees

Focus

- You want to know how good your sales people really are and you need to drive the motivation and performance of your go-to-market organisation.
- You feel that your sales force has some hidden potentials - and challenges - that are not easy to be specified. Nevertheless, you want to take action.
- Our field-tested and scientifically proven, web-based analysis system will help you developing your sales teams towards performance excellence.
- The assessment will highlight the individual strengths and areas where further growth is possible and necessary for maximum sales performance.
- The assessment provides clear recommendations e.g. for coaching and development of individuals and sales teams.
