

Solution Selling Skills in the Exhibition Industry

Improving your chances of winning sales opportunities through solutions focus (based on WCS™)

Objective	Solution Selling Skills in the Exhibition Industry workshops are designed to help sales teams analyze and improve their sales process in current opportunities. Working in small teams, participants create an Opportunity Roadmap outlining a concise strategy and action plan that guides the team to success. The practical, easy-to-implement methodology and supporting tools help participants to quickly incorporate the concepts into daily business, resulting in short and long-term improvements in sales performance.
Benefits	▪ Increase revenue – by improving action plans in live cases ▪ Improve win rate in booth sales – by identifying and eliminating sales process deficits ▪ Better teamwork and coaching – using a common language for opportunity management ▪ More accurate forecasts – through better control of the sales process ▪ Improved resource utilization – through better qualification and focus on the right exhibitors ▪ Maximize long-term impact – by ensuring that the concepts become part of daily practice
Content	▪ Gaining access to the complete Buying Center ▪ Improving opportunity team communication ▪ Developing personalized value propositions and ensuring that the exhibitor experiences them ▪ Gaining trust at multiple levels by aligning the sales team with the Buying Center ▪ Securing the sale and accelerate the buying process using compelling business cases ▪ Developing and deploying a comprehensive competitive strategy ▪ Obtaining customer commitment to a joint action plan for the sales process ▪ Improving exhibitor qualification to determine which opportunities to focus resources on ▪ Analyzing wins and losses to prevent poor sales practices from being repeated ▪ Managing selling time to achieve short, medium and long-term goals ▪ Converting the concepts learned into daily business
Preparation	To maximize the benefits of this workshop, participants complete a short assignment in which they analyze wins and losses and describe their current position in 1-2 important opportunities. Participants apply the workshop concepts directly to the opportunities submitted.
Methodology	▪ Highly interactive team coaching (8 – 12 participants) ▪ Break-out sessions driving individual contribution
Target Audience	The workshop is targeted at all sales professionals and project managers. For optimal results, complete teams should attend.
Duration	Two days (optional virtual format)
